FOR IMMEDIATE RELEASE

TOO MUCH EGGNOG?

ORANGE COUNTY, CA - (December 11th, 2006) **Scooter Patrol** –A non-profit organization committed to keeping drunk drivers off the road, extends hours of operation, offering service seven days a week through the New Year.

The concept is simple...after having one too many cups of holiday cheer, a potential drunk driver calls one of the two Scooter Patrol dispatch locations (Long Beach / LA County or Orange County). A uniformed, licensed driver, who has been professionally trained, arrives, and stows a GoPed Scooter in the caller's vehicle trunk or storage compartment. The caller will then be driven home safely in the comfort and security of their own vehicle. Once arriving home, the caller can rest assured that they are safe, and their vehicle is out of harm's way. Service is free of charge and gratuities are accepted.

Service is available throughout the entire month of December from 8pm to 2am. Reservations are *strongly* recommended. In addition to regular service, Scooter Patrol will be providing transportation at various corporate parties and holiday events. For more information visit www.scooterpatrol.org

"In the four years since we started The Patrol, the month of December continues to be our busiest month of the year. This is why we decided to extend our hours of service to seven days per week from December 1st until New Years Eve. We get so many calls every day of the week during the holidays. It just seemed like the right and sensible thing to do." said Anthony Panzica, founder and executive director of the Scooter Patrol.

Founded in 2003, Scooter Patrol is ensuring that people can go out, enjoy themselves, and not feel pressured to drive their vehicle home if they are too impaired to do so – making the road a less dangerous place for everyone. Scooter Patrol guarantee's you and your vehicle home safely.
